

## 2017 Bible Reading Plan

There are 260 chapters in the New Testament and exactly 260 weekdays in 2017. So join us in making the commitment to read one New Testament chapter each Monday thru Friday this year! Additionally, we'll read some key Old Testament chapters as well. ***Let's get into God's Word this year and let His Word get into us!***

3 Tips To Make Your Bible Reading More Effective: (1) **Highlight or underline** key words or passages, then review them periodically; (2) **Understand what you're reading** by paying attention to who's speaking, what the context is, and who is being spoken to; (3) **Personalize and apply your reading** by asking and answering the question "What can I take away and apply to my life as a result of what I've read?"
